Journeymen Select Colonial Beaded For that Old World Charm

Colonial Beaded represents American Colonial architecture at its best. Featuring a rounded beaded base for a pronounced shadow line, this durable, color-through vinyl siding beautifully evokes the hand-crafted spirit of a previous era and has an appealing low-gloss brushed finish. Available in all Journeymen Select standard colors.

TESTED TO PERFORM

Additional Premium Features:

- Heavy gauge (.044") improves structural rigidity for a straight, clean finish that won't warp, buckle or sag.
- Will not peel, flake or chip for long lasting beauty and virtually maintenance-free performance.
- Windlak 180 system enables panels to withstand harsh weather conditions as well as hurricane force winds up to 180 mph.*
- Roll top nail hem ensures panels are more secure, tighter-fitting and can stand up to the highest standards of structural performance.

*In testing, the Journeymen Select installation system achieved a test pressure of 90.90 lb/ft². This equates to a wind speed of 180 mph.

The key to the Dura Technology™ Process is Royalside™ Compound, a proven blend of the world's finest raw materials. This blend, together with our exclusive Dura™ impact modifiers and premium ingredients, forms the base for a tougher, longer lasting siding.

UV Tested for Color Retention

UV tests ensure your siding provides outstanding resistance to fading and discoloring. This advanced color retention is achieved by combining Luvac™ S ASA, made by BASF, with our innovative Royalside™ Compound and Dura Technology™ Process.

Cold Tested for Harsh Weather

Royal tests its siding against brittleness at temperatures as low as (14°F/-10°C), ensuring your siding will maintain its superior durability, rigidity and structural integrity under severe weather conditions.

Impact Tested for Strength

Extensive impact tests are conducted at 73°F (23°C) and 32°F (0°C) to ensure your siding exceeds ASTM standards and can withstand the elements, including hail, under any condition.

Double Lifetime Warranty Fully Transferable

Royal is so confident in the superior quality of this product that it is backed by the most powerful non-prorated warranty in the business. Guaranteed.

We've Got You Covered

- Exclusive Lifetime, Non-Prorated Warranty
- Fully Transferable to Lifetime Non-Prorated Limited Warranty
- Covers Replacement Materials and Labor
